Emergency Connectivity Fund - HOW IT WORKS

1

Apply for Grant & win award.

2

- Submit Invoice to USAC
- Receive Funding
- Pay TekWav

3

- Announcement on all marketing materials through all mediums of TekWav partnership.

4

- Designate ISD employee to work with TekWav to initially connect students.

5

- Provide Student/Teacher list for connectivity

6

- Weekly communication to add/remove students in the program

Connectivity is provided until 6/30/2022. It's likely that ECF/E-Rate will extend off-campus connectivity past 6/30/22 and make it a permanent program.

TekWav will stay on top of all Federal legislation and keep the ISD updated on all actions.

TekWav Responsibilities

TekWav will:
- Provide administrative assistance where needed
- Will provide monthly compliance reporting
- Retain appropriate records for the program

ISD Responsibilities

ISD will:
- After initial student connections, provide Letter of Support of the ECF program & TekWav's performance
- Help promote this program to other ISD's in the area
